Operative Goldmine in Erkundung

Kirgisistan hat viele der größten Goldminen in Zentralasien.

An den nördlichen Hängen der Kirgisischen Gebirgskette, im Oberlauf, den rechten Komponenten des Karabulak-Stroms, im zentralen Teil der Bulakashinsky-Erzfelder gelegen.

Vulkanisches Gestein ist Teil der geologischen Struktur des Ortes. Gesteine, die durch Andesite und Andesitbasalte, ihre Tuffe und Klastolaven repräsentiert werden. Intrusivgestein wird durch Gabbro-Sonkinite, Syenit-Diorite und Granodiorite repräsentiert, die separate Phasen eines einzigen Intrusivkomplexes sind. Ein charakteristisches Merkmal der Formationen dieses Komplexes ist ihr blattförmiges, sanft abfallendes Vorkommen mit Neigungswinkeln von 10 o bis zu 50 o in den umliegenden vulkanisch-sedimentären Gesteinen.

Mit diesen Strukturen und in Verbindung mit der Bildung von mineralisierten Zonen und Erzkörpern der Lagerstätte.

Die identifizierten Gold- und Kupfermineralisierungen sowie die Zonen der Beresitisierung und Verkieselung am Standort Severny sind entweder direkt auf Granodiorit-Intrusionen oder, was häufiger vorkommt, auf ihre intrusiven Kontakte mit dem vulkanogenen und intrusiven Muttergestein beschränkt.

Die Zonenbreite der Beresitisierung erreicht hier die ersten zehn Meter. verfolgte Länge auf 400 m. Unter den Beresiten ist die intensivste Aderung Verkieselung, mit verstreuten Sulfiden von Kupfer, Blei, Eisen und Molybdän.

Keypoints

Die Goldlagerstätte ist eigentlich ein großes Feld, das aus mehreren Goldlagerstätten und 1 Kupferlagerstätte besteht. Der Verkäufer behauptet, einen hohen Goldgehalt zu haben (prozentualer Goldgehalt pro 1 Tonne). Das Feld ist jedoch nicht gut entwickelt. Alle Daten werden von sowjetischen Ingenieuren gesammelt und es scheint, dass sich seit dieser Zeit nichts getan hat.

Die Reserven, die nach kanadischen oder australischen Standards als P1 und P2 eingestuft werden, sind gleichzusetzen mit: Explorationsergebnisse, Explorationsziele, Explorationspotenzial oder sogar einige als Inferred. Dies ist die niedrigste Stufe der Erkundung

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
