1-GWp Photovoltaik (PV)-Projektpipeline in Rumänien

Rumänien drängt darauf, seine Wind- und Solarenergiekapazität zu erhöhen, um knappe Fristen für die europäische Finanzierung einzuhalten, die Energieunabhängigkeit von Russland zu erhöhen, die Auswirkungen der globalen Energiekrise abzumildern und seine Wirtschaft zu dekarbonisieren.

Zum Verkauf einer 1-GW-Projektpipeline Photovoltaik in Rumänien hat der Entwickler eine 1-GW-Pipeline von netzgekoppelten Solarprojekten vorgestellt, die im Land entwickelt werden sollen.

Realisierung der Pipeline erfolgt zwischen 2023 und 2028 in fünf Schritten: 200MW (2023), 200MW (2024), 200MW (2025), 200MW (2026), 200MW (2027).

Der Entwickler hat sich große Landflächen in der Umgebung von Bukarest gesichert.

Der Beginn der Arbeiten ist für Juni geplant mit dem Ziel, den Solarpark in 2028 fertiggestellt zu haben. Die Investoren gaben bekannt, dass es ein Energiespeichersystem beinhalten würde. Es ist geplant, die Elektrizität an gewerbliche Kunden und Industrie auf dem freien Markt zu vertreiben.

Die Entwickler wiesen darauf hin, dass ein Großteil der minderwertigen landwirtschaftlichen Flächen in Weideland umgewandelt werden würde, um die Vegetation zu kontrollieren.

Das Projekt befindet sich bereits in der späten Entwicklungsphase, und der Entwickler prüft bereits Technologielösungen und Fremdfinanzierungsoptionen.

Dies ist eine Gelegenheit für einen Investor, eine Pipeline mit günstigen Kaufkonditionen zu erwerben (Zahlung nach Errichtung)

Eckdaten

- Kauf von Eigentumsrechten an landwirtschaftlichen Flächen
- Kauf von staatlichen Baugenehmigungen
- Kauf des gesamten Plans, Studien, usw.
- NICHT inkludiert (Solarkollektoren, Wechselrichter, Zäune, Metallstrukturen, Kabel, etc.)

Bestrahlungsparameterwerte

- Horizontale Globalstrahlung [kWh/m²/a] 1.383,0
- Globaleinfall in Kollektorebene ϑ 25° Neigung (Einstrahlungsgewinn durch geneigte Kollektorebene)
- 14 % Gesamteinstrahlung in Kollektorebene [kWh/m²/y]

Projektpipeline für Photovoltaik

TARGET PRICE
\$195,000,000

BUSINESS TYPE
Kraftwerke

SUPPORT & TRAINING
5 Jahre Unterstützung bei der Pipeline

COUNTRY
Rumänien

BUSINESS ID
L#20230419

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction.

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
